To **Replace or Merge** your card, choose this option next to My primary card.

Or to add other cards to your account (which may accumulate and spend the same balances), then choose to **Add Secondary Cards**.

MANAGE MY CARDS

MY PRIMARY CARD

Your primary card is the number associated with your Freebees account.

If you have two cards or have received a new card that you would like to add to your account, press the REPLACE / MERGE MY CARD* button.

*Warning, this operation will ask you to choose which card you want to keep. The non-retained card will no longer be functional and balances will all be transferred to the selected card.

John Doe

1234 123 1234

MY SECONDARY CARDS

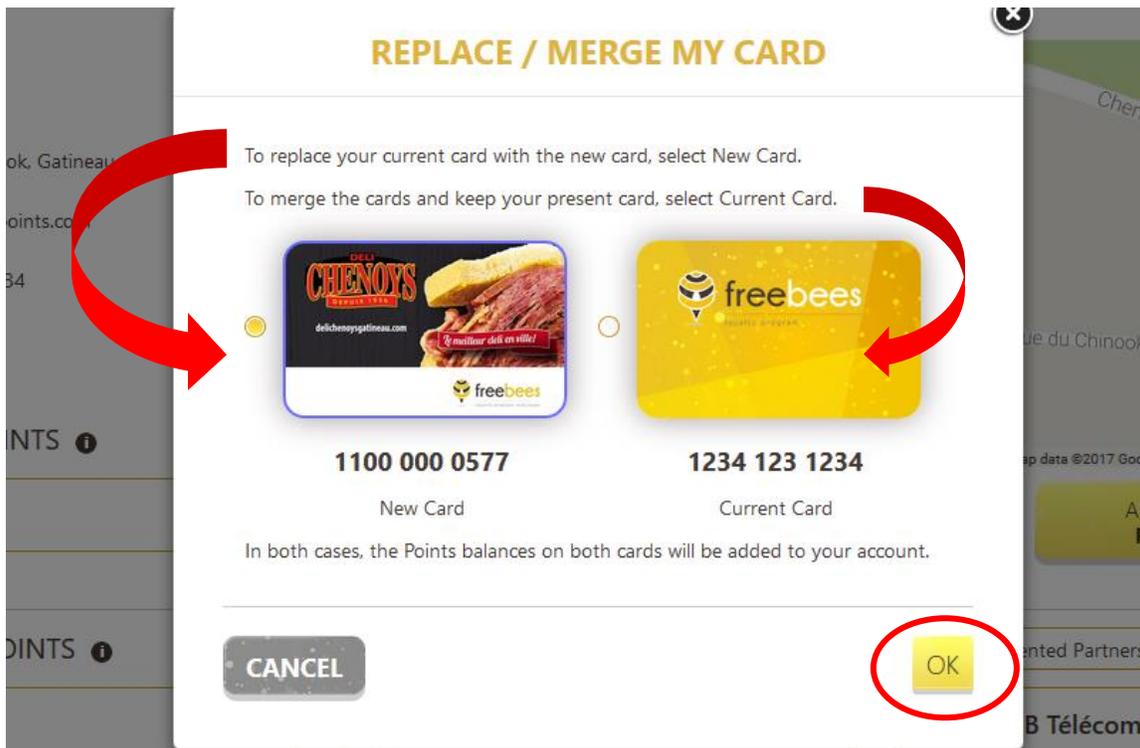

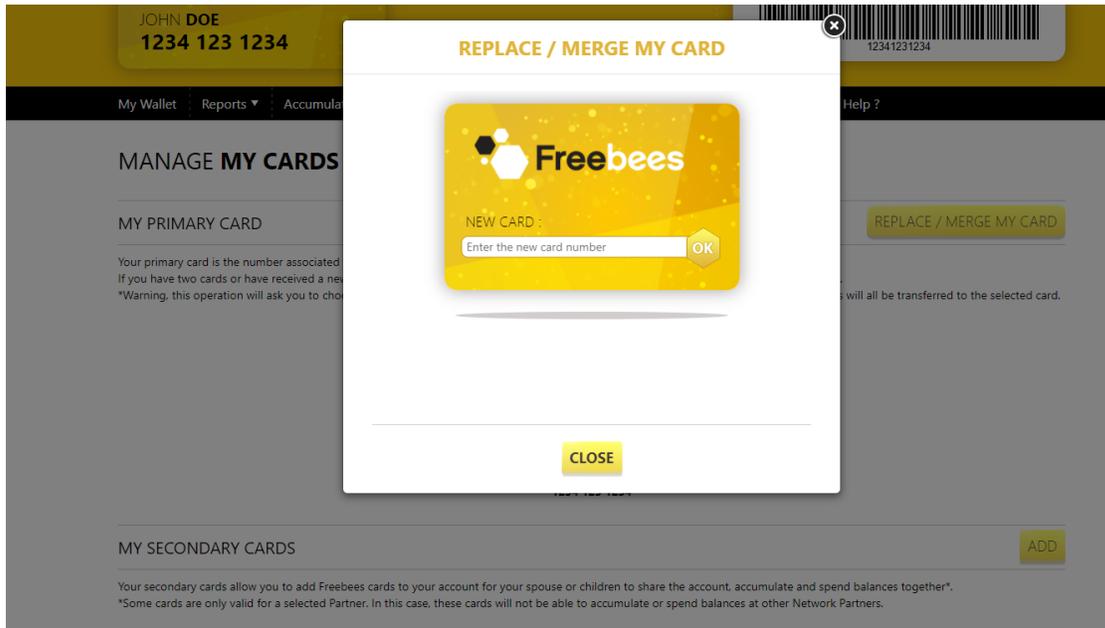

Your secondary cards allow you to add Freebees cards to your account for your spouse or children to share the account, accumulate and spend balances together*.

*Some cards are only valid for a selected Partner. In this case, these cards will not be able to accumulate or spend balances at other Network Partners.

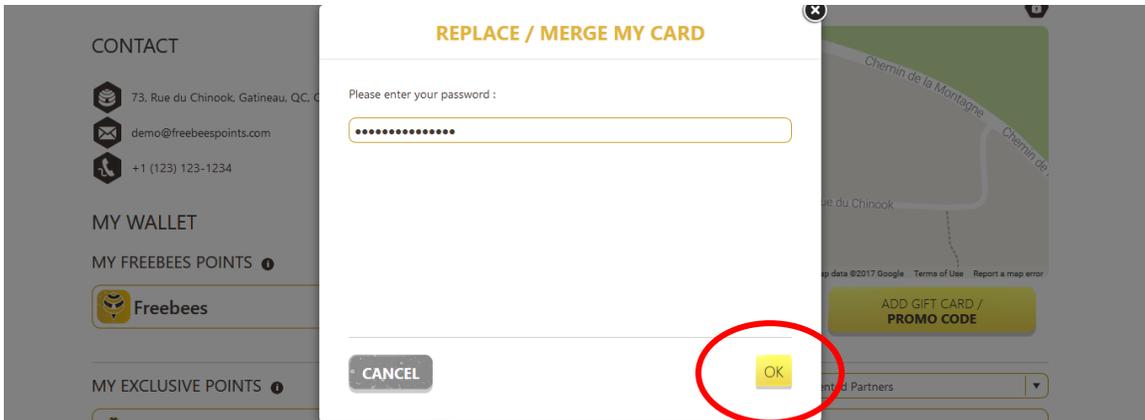

Image	Number	Cardholder	Mode
-------	--------	------------	------

no secondary card

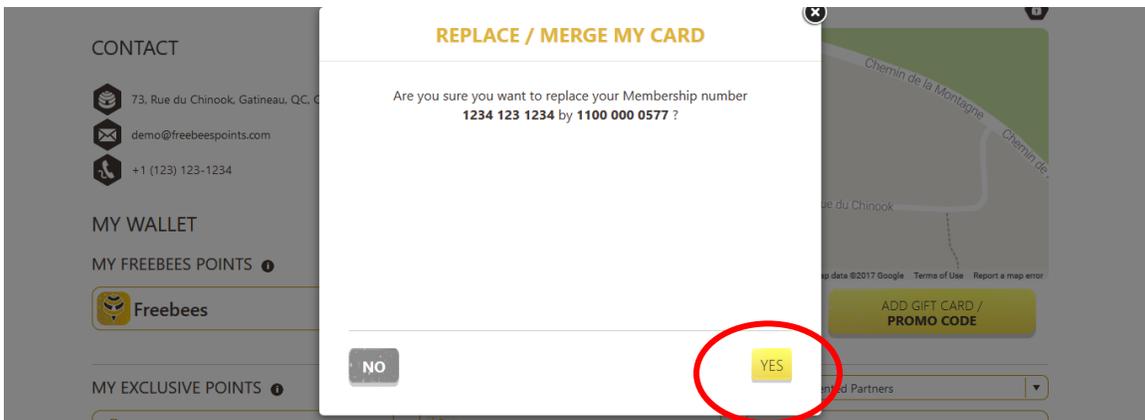

Then enter your new card number, press ok and follow the instructions

Make your selection, then press OK. For security reasons, you will be asked to enter your password again to confirm your identity.

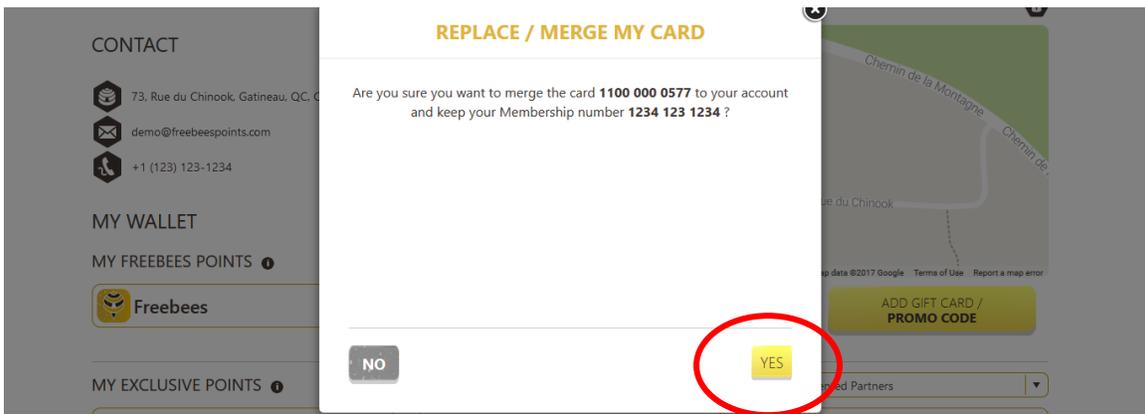

If you have chosen to replace the card, you will have this validation message:

By entering a new card number, it will replace your old card as well as the number associated with it in your mobile App.

If you have chosen to keep your current card, you will have this validation message:

To add a secondary card, enter the number of the new one, then complete the following form (First name and surname of the holder of this card), then check if the holder is an adult or in the case of a minor, that you authorize them to use your account.

The screenshot displays a web interface for managing cards. At the top, the user's name 'JOHN DOE' and a card number '1234 123 1234' are visible. The main heading is 'MANAGE MY CARDS'. A modal window titled 'SECONDARY CARD' is open, containing the following fields and options:

- Card number:** 1110 749 0442
- First Name:** Input field with placeholder 'First Name' and a red 'Required field' error message.
- Last Name:** Input field with placeholder 'Last Name' and a red 'Required field' error message.
- Mode:** Dropdown menu with 'Accumulate / Spend' selected.
- Authorize next transaction:** Dropdown menu with 'No' selected.
- The card holder is an adult
- I authorize the cardholder to use my account

Buttons for 'CANCEL' and 'SAVE' are located at the bottom of the modal. The background page shows a 'MY PRIMARY CARD' section with a warning message and a 'REPLACE / MERGE MY CARD' button. Below the modal, there is a 'MY SECONDARY CARDS' section with an 'ADD' button and a table header with columns: Image, Number, Cardholder, Mode.
