

SUPPORT FOR MEMBERS

How can I manage notifications from Partners?

If you want to block (disable) the notifications generated by the Partners, you can disable email notifications by going into your account, under **My Account, Settings**. Check or uncheck according to your preferences and click Save.

You can apply the same options for your mobile App in your account settings.

SETTINGS

SECURITY

For security reasons, we offer you the option to limit the use of your balances on your membership card or your mobile Freebees App. By selecting the mode "Accumulate only", your balances can not be spent.

To make a purchase using your Freebees money, make sure you have selected the "Accumulate / Spend" option. This option can be changed at any time.

Using my Account for

Authorize a payment on my next transaction only.
